

## Product Overview

**MENOHEALTH** works by targeting the unwanted effects of menopause, providing support to offset the many imbalances women suffer before, during and after menopause. These include hot flashes, mood swings, night sweats, bone weakness and difficulty breathing.

The proprietary and natural blend of pomegranate, chamomile and rhubarb in **MENOHEALTH** are well-documented for supporting female health and have been used for centuries all over the world. Combined, these ingredients offer a multi-pronged approach that delivers significant overall relief to both women in perimenopause and post-menopause. **MENOHEALTH** is **FREE** of soy and other ingredients that may disrupt hormonal balance.
